## **NSCC Action Letter 3-00**

From: Executive Director, Naval Sea Cadet Corps

To: Distribution

Subj: AMENDMENT TO NSCC BY LAWS

Ref: By Laws of the United States Naval Sea Cadet Corps

1. **Purpose:** The purpose of this Action Letter is to announce a change in Referenced By Laws.
2. **Background:** An important change to NSCC By Laws was approved by the NSCC National Board of Directors at the June 2000 national convention in Philadelphia, PA.
3. **Discussion:** The amendment to Article XV - Regional Director of the Naval Sea Cadet Corps clarifies the field "chain of command". The Amendment to Section 1505(b) strengthens the chain of command by including Field Representatives, thus relieving the Executive Director of being involved with items that should more properly be addressed at the local or regional level.
4. **Action.** The By Law in Section 1505(b) of Article XV Amendment now reads: **The Regional Director reports to the Executive Director via the designated Field Representative, but, when appropriate, has direct access to the National Chairman.** (Underlining indicates changes to the previous wording.) The change is effective upon receipt of this Action Letter.
5. **Cancellation.** This Action Letter is canceled upon reprinting of the NSCC By Laws.
