NSCC INFORMATION LETTER 5-99

From: Deputy Director, U. S. Naval Sea Cadet Corps
To: Distribution

Subj: **1999 NSCC/NLCC SUMMER TRAINING**

Ref: (a) NSCC/NLCC Advancement and Training Manual
(b) NSCC/NLCC Escort Officer Handbook

Encl: (1) 1999 NSCC/NLCC General Training Guidelines
(2) 1999 Coast Guard Training Opportunities
(3) NLCC/NSCC 1999 Summer Training Schedule

1. **This is the NSCC information letter announcing 1999 NSCC/NLCC summer training opportunities**, promulgated per ref (a). Submit applications for summer training in accordance with the guidance provided in this letter.

- **General Training Guidelines are at encl (1).** Guidelines are arranged in sections by general topic or type training for your quick reference. **This section includes procedural changes for submitting for 1999 summer training. The most significant of these changes is that the NSC Form 22 (Rev 2/98) goes to the COTC with a \$50.00 deposit unless otherwise directed in encl (3). The COTC address has been included in the summer training schedule at encl (3).** All hands must review this section in its' entirety, and pay particular attention to those sections relevant to their training.
- Some training evolutions require payment in full with the NSC-22 submission to the COTC. They include:
 - Recruit training at Ft. Lewis
 - Recruit training at Camp Stewart
 - MAA training at NAVSTA Everett
- **Coast Guard Training opportunities are at encl (2).** Specific guidelines for arranging this training are provided.
- **The traditional NSCC/NLCC training schedule is at encl (3).**

2. Enclosure (3) provides dates and locations for NSCC Recruit Training, NLCC Orientation, and Foreign Exchange programs, together with advanced training opportunities which have been scheduled to date. ***Shipboard training opportunities will be separately promulgated when they become available; we are targeting May.*** As we receive additional information or additional

opportunities, we will update enclosure (3) with changes and include additional guidelines as they might develop. Unit commanding officers are strongly encouraged to review references (a) and (b), and to comply with the instructions contained therein in preparation for summer training.

3. Every effort is being made to obtain confirmation for those training sites or details listed as **"Pending."** As confirmation/availability is obtained, NHQ will distribute required information to the field. **DO NOT** submit NSC-22's for TWT's listed as **"Pending."** Wait until they are confirmed.

4. Unit CO's are reminded that following training, COTC's will be directed to submit NSC-26's back to unit CO's with a copy to Regional Directors. Your success in preparing cadets for summer training is going to be incorporated into future inspections. Your formula for success is to simply follow the instructions and guidelines as promulgated.

5. This letter along with updates promulgated as changes to this letter will also be posted on the 1-MC and Sea Cadet resources web page; www.seacadets.org/resources. This information letter is canceled effective 30 September 1999.

A handwritten signature in black ink, appearing to read 'H. J. Nyland', with a stylized flourish at the end.

H. J. Nyland

Distribution:
NSCC/NLCC Unit Commanding Officers
Regional/Associate Regional Directors
Field Representatives

1999 GENERAL SUMMER TRAINING GUIDELINES

The Navy's continued downsizing of ships, bases and stations has had a significant impact on NSCC and NLCC training opportunities. These reductions when combined with the loss of airlift support to major training sites, continues the necessity for scheduling as much regional training as possible, particularly with regard to recruit training. This is the way we now arrange and conduct training; using active duty and reserve component resources from all service communities.

Guidelines for this year's training are as provided in the below listed sections. A listing of all sections is immediately provided below for your quick reference.

SECTION 1: TRAINING PREREQUISITES; MEDICAL & ID CARDS

SECTION 2: APPLICATION PROCEDURES

SECTION 3: RTC REGIONAL ASSIGNMENTS

SECTION 4: NSCC RECRUIT AND NLCC ORIENTATION

SECTION 5: NSCC ADVANCED

SECTION 6: FOREIGN EXCHANGE

SECTION 7: SEAL

SECTION 8: POLA

SECTION 9: FAA GROUND SCHOOL

SECTION 10: SEABEE

SECTION 11: STAFF CADETS

SECTION 12: RECRUIT TRAINING CHECKLIST

SECTION 13: ESCORT OFFICERS, VOLUNTEERS, ADULT HELP

SECTION 14: MISCELLANEOUS NOTES

TAB A: NSC FORM 22 (REV2-98), **THE RIGHT ONE TO USE**

TAB B: NSC FORM 24, FOR LOCAL TRAINING

TAB C: SEAL PT REQUIREMENTS

TAB D: RECRUIT TRAINING CHECKLIST

SECTION 1

TRAINING PREREQUISITES; MEDICAL & ID CARDS

- CURRENT ID CURRENT ID CURRENT ID CURRENT ID CURRENT ID
- Enrollment (ID Cards) **must** be current through the ENTIRE TRAINING PERIOD. DO NOT WAIT TO UPDATE ID CARDS!!!! This is an insurance matter and we cannot cut orders on anyone without a current ID card. **And don't issue 24's either!**
- MEDICALLY OK MEDICALLY OK MEDICALLY OK MEDICALLY OK
- Commanding Officers must **ensure that the pre-training medical screening is accomplished** per NSCC Advancement and Training Manual. Cadets with medical histories listed on the Record of Medical Examination (NSC-5A), which are of a disqualifying nature as noted on the back of NSC-5B, **WILL BE SENT HOME**. In addition, any cadet who arrives with prescription medication(s) (refer to NSCC Information Letter 9-94), **WILL BE SENT HOME**. Furthermore, cadets who are immature or who present disciplinary problems **WILL BE SENT HOME**.
- Ensure you read and fully understand the contents of NSCC Information Letter 9-94 regarding "NSCC/NLCC Policy Regarding Prescription Medication and Pre-Existing Medical Conditions" (a copy is contained in the NSCC/NLCC Escort Officer Handbook).

SECTION 2

APPLICATION PROCEDURES

- SUBMIT EARLY SUBMIT EARLY SUBMIT EARLY SUBMIT EARLY
- FOLLOW DIRECTIONS IN THE TRAINING SCHEDULE.
 - IT TELLS YOU WHEN AND WHERE TO SEND THE NSC-22.
 - IT ALSO TELLS YOU YOUR DEPOSIT REQUIREMENTS.
- Use NSC Form 22 (Rev 2/98). Only this NSCC Request for Training Authority form ((NSC-22 (Rev. 2/98)) (copy at TAB A) will be processed by NHQ **because this is the only edition of this form having the required insurance statement on the reverse**, acknowledged by the parents signature. NSC Form 24, a copy is at TAB B, is to be used for any unit arranged training, such as with the Coast Guard, and if over five (5) days long, a copy is to be submitted to NHQ for our records upon completion.
- All NSC-22's requesting **escort officer orders and staff cadet orders must be approved by the Commanding Officer of the Training Contingent (COTC) prior to NHQ issuing orders**. This requirement is particularly important for training sites where large numbers of escort officers and staff cadets are required, such as RTCs, POLAs, NLCC Orientation, etc. It is important that COTCs have the opportunity to select their staffs.

- NSC-22's must reach COTC'S no later than three weeks prior to the start date of the desired training. **A \$50.00 TRAINING DEPOSIT IS REQUIRED FOR ALL TRAINING UNLESS OTHERWISE PROVIDED FOR IN THE TRAINING SCHEDULE AT ENCL (3).** COTC's still have to send them to NHQ where orders will be cut and then sent back to the unit. All blocks must be completed and legible. Ensure that the NSC-22's contain all the **required signatures (parent's/guardian's consent, CO's approval, etc.)** and that the next of kin's telephone number is correct on the form. NSC-22's received without the proper signature or incomplete information **will not be processed.** Also ensure that you enter correctly the type of training and location **utilizing the four (4) codes shown on the 1998 NSCC/NLCC SUMMER TRAINING SCHEDULE. DO NOT** submit NSC-22's for training listed on this Training Schedule marked "**Pending**" until you receive notice from NHQ that those training sites have, in fact, been confirmed.
- Do not send the \$50.00 deposit to NHQ **unless the schedule says to do it (Canada East and West, for example)**
- Across the back of the top of the NSC Form 22 add the following handwritten information:
Family Insurance Carrier Name _____ Address _____ Phone # _____
- \$\$\$ deposits for the \$50.00 that go with the NSC-22 and payments of the remainder owed for summer training are to be cashier's checks, traveler's checks or money orders, to be given to the COTC at the training site. **NO PERSONAL CHECKS or UNIT CHECKS.**
- **ATTENTION TO DETAIL** is a must. Fill out your NSC-22 correctly and legibly the first time! Incomplete/missing information wastes our time, wastes your time, causes additional mailing costs, sometimes results in late orders or "already filled" quotas, etc. **Please** follow the procedures.

SECTION 3

RTC REGIONAL ASSIGNMENTS

- The regions listed below have been designated to attend recruit training at the following training sites:

<u>REGIONS (#)</u>	<u>TRAINING SITE</u>	<u>DATES</u>
#1 (All units)	NETC Newport, RI	8-21 August
#3 (All units)	NAES Lakehurst, NJ	8-31 July
#4 (3) (-) DE	NAES Lakehurst, NJ	8-31 July
(Berthing limitations for female cadets. Female cadets from Regions 3 and 4 may have to go to Aberdeen Proving Grounds, MD)		
#4 (1,2) (+) DE	Aberdeen Prov. Grd., MD	1 - 14 August
#5 (All units)	Aberdeen Prov. Grd., MD	1 - 14 August

#6 (NC,SC,GA,FL) (-) (Flying Eagles, Independence, Whiting)	FT Stewart, GA	11 - 24 July
#6 (TN,MS,AL) (+) (Flying Eagles, Independence, Whiting)	CBC Gulfport, MS	20 June - 3 July
#8 (only LA)	CBC Gulfport, MS	20 June - 3 July
#7 (All units)	RTC Great Lakes, IL	13 - 26 June
#9 (All units)	RTC Great Lakes, IL	13 - 26 June
#8 (-) LA	FT Sam Houston, TX	6 - 19 June
#10 (All units)	NAS Roosevelt Rds, PR	Pending Dates
#11 (So.CA) (-) AZ (+) (Van Voorhis)	NAB Coronado	1 - 14 August
#11 (AZ)	Fort Huachuca, AZ	11 - 24 July
#15 ((CO & UT(Optional))	Fort Huachuca, AZ	11 - 24 July
#12 ((CO&UT (Optional))	Ft Hunter Liggett, CA	31 July - 14 Aug
#13 (All units)	Fort Lewis, WA	15 - 28 August
#14 (All units)	MCB Kaneohe, HI	13 - 26 June

The above is generally based on the geographic distribution of units, as well as the available space at training sites. This does not preclude other units or personnel from training at a different location, but orders will only be provided if there is good justification and adequate space for “designated” unit personnel.

SECTION 4

NSCC RECRUIT AND NLCC ORIENTATION

- **Cadets must be enrolled no later than six weeks prior to the start date of NLCC Orientation or NSCC Recruit Training.** New enrollees will not be permitted to attend training at a Sea Cadet Recruit Training Camp unless: the cadet will be **14 prior to 1 September 1999** (for '99 summer training) **OR** he/she is a **former** League Cadet who is 13, who has successfully completed League Cadet Orientation Training scheduled by NSCC NHQ, and is considered “mature” enough by his/her CO to be accepted into the Sea Cadet Training Program. (This appropriately recognizes prior League Cadet training and experience.) Unit Commanding Officers must ensure that each newly enrolled cadet and parent clearly understands what to expect at either Recruit or Orientation Training. They must also understand that we **now have an accident “only” insurance policy.**

- Cadets must have successfully completed their physical fitness test per NSCC Action Letter 4-98, prior to reporting for training. Cadets found not capable of passing a physical fitness test at the training site will be provided separate fitness training. This will be provided to improve their fitness while also more closely monitoring them for possible injuries. They will be tested again prior to graduation and, if they **do not pass**:
 - They **will be allowed to participate** in graduation exercises, but **will not** be given **credit** for completing recruit training.
 - They **will not be promoted** until they successfully pass the PFT, and then **only** under the following conditions:
 - They successfully completed all RTC requirements with the exception of the PFT.
 - A “complete” PFT is conducted (can be accomplished at the unit) and an appropriate entry is made in the cadet’s service record.
 - No follow on PFT (for promotion purposes) can be given, nor actual promotion made, **any sooner** than one month after the **end** of the RTC attended.
 - Minimum “Time in Rate” for the next advancement **will not** be “back dated”, but will start upon PFT completion and actual promotion.
- Prepare your cadets for **passing the PRT!!!**
- Remind cadets that haircuts are part of the recruit training process. The same standards apply to both male and female cadets. Cadets who object to this regulation should not attend recruit training.
- **PAYMENT IN FULL WITH NSC-22 FOR FT. LEWIS AND CAMP STEWART.**

SECTION 5

NSCC ADVANCED

- Unit Commanding Officers will ensure that all cadet applicants are fully qualified and meet prerequisite requirements, i.e.:
 1. Successfully completed required courses/exams (BMR, Airman, etc.).
 2. Meet age/rank/cadet citation requirements (foreign exchange and shipboard training).
 3. **Cadets requesting Music School must have at least three years musical experience.**
 4. Cadets must bring **safety shoes** for Airman, Seabee, Tugboat and Coast Guard Cutter training.
 5. Cadets attending **Hospital Corpsman training must have at least two white uniforms.**

SECTION 6

FOREIGN EXCHANGE

- Details regarding foreign exchange opportunities are in NSCC Information Letter 4-99 of 22 February addressing the 1999 foreign exchange program.
- Cadets assigned to foreign exchange programs will receive an “in-country” briefing from the Commanding Officer of the Training Contingent (COTC). **DO NOT** purchase airline tickets prior to contacting the COTC. Always remember that as a “uniformed” guest in another country, you represent yourself, your family, your community, the Naval Sea Cadet program, and all other United States citizens. This is a big responsibility, and as “*our overseas ambassadors*” during this training time, **you** must ensure that you conduct yourself in a most professional and responsible manner.

SECTION 7

SEAL

- SEAL Training will take place at the Naval Amphibious Base Little Creek, Virginia. Per NAVAL SPECIAL WARFARE CENTER (NAVSPECWARCEN) DET Little Creek, where training occurs, **too many cadets in 1997 and 1998 did not complete the requirements – most because they were not physically able to pass the Physical Fitness Test on the first day of training.** Strict enforcement of all requirements is fully expected, and the following requirements **MUST** be met:
 1. Cadets must be enrolled in the NSCC for 15 months or longer;
 2. Cadets must be NSCC E-3 or higher;
 3. Cadets must be age 16 or older on or before the start date of the training;
 4. Cadets must be physically fit and psychologically mature. They must meet the height/weight limits and medical standards and pass the physical fitness test as prescribed in the Seal Physical Fitness Test at TAB C prior to submitting NSC-22's.
- Cadets must be able to perform the **MINIMUM** requirements of the Physical Fitness Test (PT) on the **first day of training**. It is at TAB C. Inability to meet these requirements will result in an **immediate return home**. It is extremely important that cadets continue to work out on a daily basis after passing the initial PT test. NAVSPECWARCEN has reemphasized a “zero tolerance” policy with regard to required physical conditioning.
- Unit CO's must ensure that all NSC-22's are accompanied by a completed Physical Fitness Test form **witnessed by an armed forces active duty person. TAB C.**
- TAB D must be submitted WITH THE NSC-22 for cadets requesting SEAL training.
- **Above all else, remember this personal bit of advice from the COTC, LCDR Al Scott, “You better be in shape or you’ll be at home!”**

SECTION 8

POLA

- NSC-22's for **Petty Officer Leadership Academy** must be forwarded and pre-approved by Field Representatives or designated COTC before orders can be issued. Applications without this approval **will be returned to the unit unprocessed.**

SECTION 9

FAA GROUND SCHOOL

- NSC-22s for **FAA Ground School** must be submitted via Judge Colby, who maintains records on quotas available for those training opportunities. Forward your NSC-22 to:

United States Naval Sea Cadet Corps
P. O. Box 19705
Alexandria, VA 22320-0705

(Please note, this is not the NHQ address!)

- Questions should be directed to Judge Colby at (703) 549-7722.

SECTION 10

SEABEE TRAINING

- In addition to NHQ training requirements, applicants for Construction Training (Seabee) must meet the following additional requirements.
 1. Cadets must have been advanced to **E-2** for both Basic and Advanced courses.
 2. Those going to West Coast Basic must be eligible for advancement to **E-3** with completion of the CB course. Applicants for Advanced/Small Unit Integrity training must already be **E-3** and have completed either Basic or Advanced **or** drilled at least two years at Port Hueneme.
 3. All cadets/staff will need to bring combat boots or safety shoes and three sets of camouflage uniforms (cammies/BDUs/CCUs). **Dungarees for CBC Port Hueneme.**
- Direct inquiries to:

GULFPORT APPLICANTS

LT Samuel S. Schouten, NSCC
1001 Maple Lane
Harrisonville, MO 64701
Tel: (816) 380-4888

PORT HUENEME APPLICANTS

LCDR Donald L. Quinlan, NSCC
Box 3760
Wofford Heights, CA 93285
Tel: (760) 376-6358
FAX: (760) 376-2254

SECTION 11

STAFF CADETS

- Staff cadets should be mature, graduates of NSCC Leadership Programs, and have completed at least one other NSCC advanced training program ashore or afloat. Cadets will be assigned on a ratio of no more than 1 to 10 due to limitations in berthing/messing, and assignment is generally limited to NSCC Recruit Training or NLCC Orientation. Female cadets will not be assigned to staff unless a female escort officer is available. Only cadet petty officers (E-4 or higher) will be assigned to duties involving direct supervision of trainees. **Cadets may not serve back-to-back/consecutive staff cadet tours**, nor should cadets who have just completed NSCC recruit training "roll over" to staff duty at NLCC orientation or similar indoctrination training. **NLCC cadets may not serve as Staff Cadets.**
- All staff cadet fees are 75% of the advertised cost.

SECTION 12

RECRUIT TRAINING CHECKLIST

- Ensure that cadets show up at training sites **with** their **training jackets, orders, ID cards, uniforms, and money**. If they do not, this causes the **volunteer** staff a considerable amount of additional problems, and reflects poorly on your unit. Please **THINK** how you would like to see things if you were at the training site, and ensure your Cadets show up "healthy" and ready to be checked in.
- **Aerosol spray cans are not authorized at RTCs**. This includes deodorants, shaving creams, shoe shine material, bug repellents, etc.
- A checklist to assist in preparing cadets for training is provided at TAB D. **Please use it!**

SECTION 13

ESCORT OFFICERS, VOLUNTEERS, ADULT HELP

- Although NHQ is continually working to obtain the most training opportunities possible for our cadets, the success of our efforts depends mostly on the participation of our adult leaders as escort officers and staff instructors.
- The need for Commanding Officers of Training Contingents (COTC), Escort Officers and Instructors appear to increase every year. Those interested in volunteering for either Recruit or Advanced Training should contact the appropriate COTC listed in the training schedule or NHQ (if COTC is not listed) for information and approval of desired assignment.
- COTCs, Escort Officers, and Instructors will be provided with an NSCC/NLCC Escort Officer Handbook which provides in depth comprehensive guidance on the various functions

of assignments. Each unit has been provided copies of the Handbook. If you are contemplating volunteering as a COTC, Escort Officer, or Instructor, we strongly encourage you to read through the Handbook prior to pursuing this assignment.

- **Now is an excellent time for all unit officers to become thoroughly familiar with the contents of the NSCC/NLCC Escort Officer Handbook.** The better you are informed, the smoother things will go for all of us during the summer months.
- Adult leaders are also reminded that they are watched closely by cadets, parents, active duty personnel, and others. You serve as “positive” role models for the cadets, and are expected to lead by example. **NO** alcoholic beverages or tobacco products around the cadets, **NO** profanity, and **NO** fraternization, sexual harassment, or favoritism. Ensure that you are properly groomed and that your uniform is correct, observe military courtesies, and, as stated before, “lead by example”. --- Enjoy what you are doing and **be proud** of the **big part** you play in helping to send the “right” message from “**responsible**” adults to today’s youth and tomorrow’s leaders.
- We will need Escort Officers/Instructors at **MANY** training sites. Please volunteer your time/talents where you can. Challenging training, conducted in a positive manner, is the “key” to both recruiting and retention. Naval Sea Cadets and Navy League Cadets want to do things that their peers cannot do, and most of these training opportunities provide those unique experiences. Good training is also one way in which we help these young people to increase their self-esteem, become more mature, and better prepare themselves for future challenges. We **need your support** to ensure that training opportunities are not lost due to a lack of adult leaders.

SECTION 14

MISCELLANEOUS NOTES

- **FREE LEADERSHIP TRAINING FOR OFFICERS.** New this year at the Lincoln Training Center in Mansfield, Ohio, 7-14 August. Situational leadership and problem solving. This course has been developed for police, fire department, and other civic organizations and is available to NSCC officers free of charge. Call Ens. Mills at (419) 589-2276.

1999 COAST GUARD TRAINING OPPORTUNITIES

UNIT CO's MUST READ.

Coast Guard training opportunities are attached, and any additional information will be provided when known. If possible, ensure that your cadets take full advantage of this training as it is generally exciting, fun-filled and extremely instructional in nature. Training is normally scheduled for a period of approximately 12 days, and you should plan on **30 days advance notice for confirmation**. It is extremely important to ensure that you have confirmed a quota and reaffirmed it with the Coast Guard activity before going on TWT. There is **absolutely no room for error** due to the extremely limited messing and berthing available. The Coast Guard provides some of our finest and most fun filled training experiences. We do not want to jeopardize these great opportunities just because someone decided not to follow procedures.

Cadets will perform most of the same duties as their Coast Guard running mates, and are expected to do their fair share in all tasks. Safety shoes for heavy work, and non-skid shoes for boat operations are mandatory. **ALL CADETS ARE RESPONSIBLE** for their messing and berthing fees (should be approximately \$140.00 per cadet). **DO NOT leave the training site without paying required fees!**

Guidelines for this year's training are as provided in the below listed sections. A listing of all sections is immediately provided below for your quick reference.

SECTION 1: APPLICATION PROCEDURES

SECTION 2: STATEMENT OF UNDERSTANDING FOR COAST GUARD TRAINING

SECTION 3: 1999 COAST GUARD TRAINING SCHEDULE

SECTION 4: SPECIAL OPPORTUNITY ABOARD EAGLE

TAB A: STATEMENT OF UNDERSTANDING FOR COAST GUARD TRAINING

SECTION 1

APPLICATION PROCEDURES

- As per **UNIT CO's MUST READ** above.
- Unit Arranged Orders ((use NSC-24C (**Revised 2/98**) (copy attached)) will be utilized for all USCG training, and a copy of the completed and endorsed NSC-24C (**Revised 2/98**) must be forwarded to NHQ **within 30 days** of completion to receive credit for the training. Please remember that maintaining our credibility for good advance planning and follow through is of utmost importance.

SECTION 2

STATEMENT OF UNDERSTANDING FOR COAST GUARD

TRAINING

- At TAB A is a statement of understanding for Coast Guard Training which must be completed by all cadets, their unit CO, and the cadet parent of guardian, as part of the application process for training with the Coast Guard. It is self explanatory and intended to compliment those guidelines already promulgated to ensure the safety and well being of cadets during summer training.

SECTION 3

1999 COAST GUARD TRAINING SCHEDULE

The Coast Guard Training Opportunities Are as Follows:

MAINE

USCGC JEFFERSON ISLAND at 259 High Street, South Portland, ME 04106-0007
POC: LTJG Reese Johnson at (207) 780-3002
Training Period: First two weeks of June "Only"
Number of Cadets: 1 Male

USCGC MARCUS HANNA (WLM-554) at 259 High Street, South Portland, ME 04106
POC: QMCS Phillip Veek at (207) 767-0380 or 0381
Training Period: Anytime During Summer
Number of Cadets: 2 Male (ONLY)

USCG STATION ROCKLAND at 54 Tillson Ave, Rockland, ME 04841
POC: BMC Graham (207) 596-6667
Training Period: June through August
Number of Cadets: 2 Male or 2 Female at the same time

USCG STATION JONESPORT at West Jonesport, ME 04649
POC: BM2 Thompson
Training Period: June through August
Number of Cadets: 2 Male (ONLY)

USCGC BRIDLE at P.O. Box 5000, Southwest Hbr ME 04841
POC: BM1 Petronis (207) 244-4290
Training Period: June through August (Messing Not Available)
Number of Cadets: 1 Male (ONLY)

CONNECTICUT

USCG STATION NEW LONDON at c/o FT Trumbull New London, CT 06320-5593
POC: LCDG Sheridan (860) 442-4471
Training Period: June through August
Number of Cadets: 1 Male and 1 Female

USCG STATION NEW HAVEN at 120 Woodward Ave, New Haven, CT 06512
POC: BMC Smith (203) 468-4495
Training Period: June through August
Number of Cadets: 1 Male and 1 Female

USCGC BOLLARD at 120 Woodward Ave, New Haven, CT 06512
POC: BMC Preston (203) 468-4465
Training Period: June through August
Number of Cadets: 1 Male (ONLY)

MASSACHUSETTS

USCG AIR STATION CAPE COD at Commanding Officer, Northeast Regional Fisheries Training Center (NRFTC), Building 5200, USCG Air Station Cape Cod, MA 02542
POC: NSCC LCDR McLoughlin (508) 759-8606
Training Period: 7 through 18 Jun (Boarding Team Member Course)
21 through 25 Jun (Living Marine Resource Enforcement)
Number of Cadets: 2 Male (ONLY)

USCG STATION GLOUCESTER at 17 Harbor Loop Gloucester, MA 01930
POC: BMC Combra (978) 283-0705
Training Period: June through August
Number of Cadets: 2 Male and 2 Female at a time

USCGC PENDANT (WYTL-65608) at 427 Commercial Street, Boston, MA 02109
POC: BMC Mosgrober (617) 223-3070 or 3174
Training Period: June through August
Number of Cadets: 1 Male (ONLY) (Must bring own food for the week-- NO Cooks)

USCG STATION POINT ALLERTON
POC: BMC Bruce Bradley (781) 925-0166 or 0167
Training Period: Prior Coordination is required for available dates
Number of Cadets: 2 Male and 1 Female at any given time

MSO BOSTON at 455 Commercial St., Boston, MA 02109-1045
POC: CDR Mark A. Skordinski (617) 223-3028
Training Period: Prior Coordination is required for available dates
Number of Cadets: 2 Male or Female

USCG STATION CHATHAM at 37 Main St., Chatham, MA 02633
POC: NSCC LCDR McLoughlin (508) 759-8606
Training Period: All dates available (Call First)
Number of Cadets: 4 Male 2 Female

USCGC MONOMOY (WPB 1326) at Little Harbor Road Woods Hole, MA 02543
POC: NSCC LCDR McLoughlin (508) 759-8606
Training Period: Deployment 7 June to 3 August
Number of Cadets: 1 Male and 1 Female

Contact NSCC LCDR McLoughlin (508) 759-8606, for possible additional opportunities aboard USCGC Sanibe, USCGC Mammerhead, and USCG Stations Woods Hole, Cape Cod Canal, Brant Point, Menemsha, Provincetown, Castle Hill, and Point Judith.

MARYLAND

USGC STATION CURTIS BAY at U.S. Coast Guard Station BLDG 37 CG Yard Baltimore, MD 21226-1791
POC: BM1 Paula Wilhelm (410) 576-2620
Training Period: June through August
Number of Cadets: 2 Male or 2 Female

PENNSLYVANIA

MSO/GROUP PHILADELPHIA at 1 Washington Avenue, Philadelphia, PA 19147
POC: CWO4 Joseph Hartline (215) 271-4800
Training Period: 30 May through 12 June
13 June through 26 June
27 June through 10 July
11 July through 24 July
25 July through 7 August
8 August through 21 August
22 August through 4 September
Number of Cadets: Either 2 Male or 2 Female during each two week evolution

USCGC OSAGE (WLR-65505) at 300 Mckown Lane Sewickley, PA 15143-2093
POC: BM1 R. P. Clark (XPO)
Training Period: Under Way schedule available in MAY for the months of June, July, and August. Call 1 Month In Advance to reserve a slot.
Number of Cadets: 1 Male (ONLY) when Under Way. Female billet in port NO problem

NEW JERSEY

USCGC BAINBRIDGE ISLAND at 1343 Canfield Rd., Highlands, NJ 07732
POC: LTJG Mike Spolidoro (732) 872-3492
Training Period: June through August (Call First)
Number of Cadets: 1 or 2 Cadets

USCGC VIGOROUS (WMEC 627) at 1 Munro Ave Cape May, NJ 08204
POC: LT W. A. Birch (609) 898-6990 (Home Port)
Training Period: June and August (In Port) July (Underway)
Number of Cadets: 2 Male Cadets (ONLY)

USCG STATION CAPE MAY at 1 Munro Ave., Cape May, NJ 08204
POC: BMC Kopp (609) 898-6995
Training Period: Call Ahead for Available Dates
Number of Cadets: 2 Male and 2 Female

USCGC KATHERINE WALKER (WLM-552) at Paterson, NJ
POC: BMCS M.R. Downey (Executive PO)
Training Period: Week of 28 June and Month of July
Number of Cadets: 1 Male and 1 Female

USCGC POINT HIGHLAND (WPB-82333) at Officer in Charge 1 Munro Ave., Cape May, NJ 08204
POC: BMC J. Todd (609) 898-6870/6871/6403

SECTION 4

SPECIAL OPPORTUNITY ABOARD USCG TRAINING SHIP EAGLE

- One billet has been obtained aboard Eagle for opportunities as follow:

TRAINING OPPORTUNITY	EMBARK	DEBARK
CG-E1	New London, CT 3 May	Rodman, Panama 19 May/AM 20 May
CG-E2	San Diego, CA 16 Aug	New London, CT 26 Sept
CG-E2A	San Diego, CA 16 Aug	Bermuda 19 Sept
CG-E2B	Bermuda 19 September	New London, CT 26 Sept

- **QUALIFICATIONS/ PRE-REQUISITES:**

- High school junior, matriculating to senior year
- Strong academic record
- Outstanding physical condition
- School permission if absence required
- CPO or exceptionally strong PO1
- Unit CO recommendation

- **QUOTAS:** This opportunity is for two cadets meeting the above pre-requisites for this once in a lifetime opportunity to sail aboard the Coast Guard Cutter Eagle, a 295 foot 3 masted barque; one cadet for opportunity CG-E1 and a second cadet for opportunity CG-E2.

- Because opportunity CG-E2 is 5 weeks long and may interfere too much with school schedules, it may be broken down to opportunities CG-E2A and CG-E2B (one cadet each). Applications will dictate.
- Preference will be given, however, to cadet applicants who can complete the entire 5 week trip (opportunity CG-E2).

Eligible cadets are invited to apply for each of the 4 training opportunities listed above.

- **LOGISTICS AND COSTS:** Travel to and from Eagle, passports, messing, and personal and miscellaneous expenses are the responsibility of the cadet.
- **APPLICATION PROCEDURES:** First ensure all pre-requisites can be met. Interested cadets are to contact their Unit CO's. **UNIT CO's CALL HNO CAPT NYLAND AND ADVISE OF PROSPECTIVE CANDIDATES**, then submit NSC-22, copy of school permission letter, grade transcripts, a certificate/statement of good health (from school nurse or family physician) to NHQ **NOT LATER THAN 31 MARCH**. NHQ selection will be made by 10 April.
