NSCC INFORMATION LETTER 5-00

From: Deputy Director, U. S. Naval Sea Cadet Corps

To: Distribution

Subj: **2000 NSCC/NLCC SUMMER TRAINING**

Ref: (a) NSCC/NLCC Advancement and Training Manual
(b) NSCC/NLCC Escort Officer Handbook

Encl: (1) 2000 NSCC/NLCC General Training Guidelines
(2) 2000 Coast Guard Training Opportunities
(3) NLCC/NSCC 2000 Summer Training Schedule

1. **This is the NSCC information letter announcing 2000 NSCC/NLCC summer training opportunities.** It is promulgated IAW ref (a). Submit applications for summer training in accordance with the guidance provided in this letter.

- **General Training Guidelines are at encl (1).** Guidelines are arranged in sections by general topic or type training for your quick reference. **This section includes procedures for submitting for 2000 summer training. Once again this summer, the NSC Form 22 (Rev 2/98) or the brand new NSCTNG 001 (cadet), 002 (officer) (Rev2/00) goes to the COTC with a \$50.00 deposit unless otherwise directed in encl (3). The COTC address has been included in the summer training schedule at encl (3).** All hands must review this section in its' entirety, and pay particular attention to those sections relevant to their training.
- Some training evolutions require payment in full with the NSC-22 submission to the COTC. They include:
 - Recruit training at Ft. Lewis
 - Recruit training at Ft. Stewart
- **Coast Guard Training opportunities are at encl (2).** Specific guidelines for arranging this training are as provided.
- **The traditional NSCC/NLCC training schedule is at encl (3).**

2. Enclosure (3) provides dates and locations for NSCC Recruit Training, NLCC Orientation, and Foreign Exchange programs, together with advanced training opportunities which have been scheduled to date. ***Shipboard training opportunities will be separately promulgated when they become available; we are targeting May.*** As we receive additional information or additional opportunities, we will update enclosure (3) with changes and include additional guidelines as they

might develop. Unit commanding officers are strongly encouraged to review references (a) and (b), and to comply with the instructions contained therein in preparation for summer training.

3. Every effort is being made to obtain confirmation for those training sites or details listed as **“Pending”** or **“TBA”** (to be announced) or **simply left blank**. As confirmation/availability is obtained, NHQ will distribute required information to the field. **DO NOT** submit Training Authority Requests for TWT’s listed as **“Pending”** or **“TBA”** or **with details left blank**. Wait until they are confirmed.

4. Unit CO’s are reminded that following training, COTC’s will be directed to submit NSC-26’s back to unit CO’s with a copy to Regional Directors. Your success in preparing cadets for summer training is being incorporated into future inspections. Your formula for success is to simply follow the instructions and guidelines as promulgated.

5. **Remember, as stated above, both NSC-22 (Rev 2/98) or the new forms NSCTNG 001 or 002 (REV 2/00) may be used this year.** In encl (3) we frequently reference only the new form to save space but either may be used.

6. **NON REFUNDABLE AIRLINE FARES. Unit CO’s brief your cadets and parents on this.** Please be reminded that non-refundable airline fares are just that! And that includes payment of penalties by NHQ. We strongly encourage everyone to consider carefully the purchase of non-refundable tickets. By far, most of the time, most of the summer training evolutions occur as scheduled in the summer training schedule. But please understand that they are dependent upon escort availability and host site accommodations. If escorts become unavailable due to emergency (and we can’t find a replacement), or operational commitments suddenly preclude our being able to use host site facilities, training can be cancelled at the last minute. Changes to non-refundable airline tickets incur a penalty that averages about \$75.00. NSCC national Headquarters cannot reimburse for these penalties, regardless of reason.

7. This letter along with updates promulgated as changes to this letter will also be posted on the 1-MC and Sea Cadet Resources Web Page; www.seacadets.org/resources. This information letter is canceled effective 30 September 2000.

2000 GENERAL SUMMER TRAINING GUIDELINES

The Navy's continued downsizing of ships, bases and stations continues to have a significant impact on NSCC and NLCC training opportunities. These reductions when combined with the loss of airlift support to major training sites, continues the necessity for scheduling as much regional training as possible, particularly with regard to recruit training. This is the way we now arrange and conduct training; using active duty and reserve component resources from all service communities.

Guidelines for this year's training are as provided in the below listed sections. This listing of all sections is immediately provided for your quick reference.

SECTION 1: TRAINING PREREQUISITES; MEDICAL & ID CARDS

SECTION 2: APPLICATION PROCEDURES

SECTION 3: RTC REGIONAL ASSIGNMENTS

SECTION 4: NSCC RECRUIT AND NLCC ORIENTATION

SECTION 5: NSCC ADVANCED

Contingent (COTC) prior to NHQ issuing orders. This requirement is particularly important for training sites where large numbers of escort officers and staff cadets are required, such as RTCs, POLAs, NLCC Orientation, etc. It is important that COTCs have the opportunity to select their staffs. COTC's are asked to initial the front side of these forms to confirm cognizance and approval.

- **NSC-22's, NCSTNG 001's, or NSCTNG 002's must reach COTC'S no later than three weeks prior to the start date of the desired training. A \$50.00 TRAINING DEPOSIT IS REQUIRED FOR ALL TRAINING UNLESS OTHERWISE PROVIDED FOR IN THE TRAINING SCHEDULE AT ENCL (3).** COTC's still have to send them to NHQ where orders will be cut and then sent back to the unit. All blocks must be completed and legible. Ensure that the NSC-22's, NCSTNG 001's, or NSCTNG 002's contain all the **required signatures (parent's/guardian's consent, CO's approval, etc.)** and that the next of kin's telephone number is correct on the form. Requests received without the proper signature or incomplete information **will not be processed.** Also ensure that you enter correctly the type of training and location **utilizing the four (4) character codes shown on the 2000 NSCC/NLCC SUMMER TRAINING SCHEDULE. DO NOT** submit requests for training listed on this Training Schedule marked "**Pending**" or "**TBA**" until you receive notice from NHQ that those training sites have, in fact, been confirmed.
- Do not send the \$50.00 deposit to NHQ **unless the schedule says to do it (Canada East and West, and Young Marine training for example)**
- Across the back of the top of the NSC Form 22 add the following handwritten information, if available:

Family Insurance Carrier Name _____ Address _____ Phone # _____
- \$50.00 deposits that go with the NSC-22, NCSTNG 001's, or NSCTNG 002's and payments of the remainder owed for summer training are to be cashier's checks, traveler's checks or money orders, to be given to the COTC at the training site. **NO PERSONAL CHECKS or UNIT CHECKS.**
- **ATTENTION TO DETAIL** is a must. Fill out your NSC-22, NCSTNG 001's, or NSCTNG 002's correctly and legibly the first time! Incomplete/missing information wastes our time, wastes your time, causes additional mailing costs, sometimes results in late orders or "already filled" quotas, etc. **Please** follow the procedures.

SECTION 3

RTC REGIONAL ASSIGNMENTS

- The regions listed below have been designated to attend recruit training at the following training sites:

<u>REGIONS (#)</u>	<u>TRAINING SITE</u>	<u>DATES</u>
#1 (All units)	Fort Devens, MA	16-29 July

#3 (All units)	NAES Lakehurst, NJ or Aberdeen Prov. Grd., MD	6-19 August 30 July - 12 August
----------------	-----------------------------------------------------	------------------------------------

(Berthing limitations for all, and particularly female, cadets. Many cadets and particularly female cadets, from Regions 3 and 4 may have to go to Aberdeen Proving Grounds, MD)

#4 (all units)	Aberdeen Prov. Grd., MD	30 - 12 August
#5 (All units)	Aberdeen Prov. Grd., MD	30 - 12 August
#6 (all units)	FT Stewart, GA	18 June - 1 July
#7 (All units)	RTC Great Lakes, IL	18 June - 1 July
#8 (only LA)	FT Stewart, GA	18 June - 1 July
#8 (-) LA	FT Sam Houston, TX	28 May - 9 June
#9 (All units)	RTC Great Lakes, IL	18 June - 1 July
#10 (all units)	NAS Roosevelt Rds, PR	9 - 22 July
#11 (all units)	Fort Huachuca, AZ	TBA
#12 (all units)	Camp Parks, CA	22 June - 8 July
#13 (all units)	Fort Lewis, WA	15 - 28 August
#14 (all units)	MCB Kaneohe, HI	13 - 26 June
#15	Fort Huachuca, AZ or FT Sam Houston, TX or Camp Parks, CA	TBA 28 May - 9 June 22 June - 8 July

The above is generally based on the geographic distribution of units, as well as the available space at training sites. This does not preclude other units or personnel from training at a different location, but orders will only be provided if there is good justification and adequate space for “designated” unit personnel.

SECTION 4

NSCC RECRUIT AND NLCC ORIENTATION

- **Cadets must be enrolled no later than six weeks prior to the start date of NLCC Orientation or NSCC Recruit Training.** New enrollees will not be permitted to attend training at a Sea Cadet Recruit Training Camp unless: the cadet will be **14 prior to 1 September 2000** (for '00 summer training) **OR** he/she is a **former** League Cadet who is 13, who has successfully completed League Cadet Orientation Training scheduled by NSCC

NHQ, and is considered “mature” enough by his/her CO to be accepted into the Sea Cadet Training Program. (This appropriately recognizes prior League Cadet training and experience.) Unit Commanding Officers must ensure that each newly enrolled cadet and parent clearly understands what to expect at either Recruit or Orientation Training. They must also understand that our insurance policy is **an accident “only” insurance policy.**

- Cadets must have successfully completed their physical fitness test per NSCC Action Letter 4-98, prior to reporting for training. Cadets found not capable of passing a physical fitness test at the training site will be provided separate fitness training. This will be provided to improve their fitness while also more closely monitoring them for possible injuries. They will be tested again prior to graduation and, if they **do not pass**:
 - They **will be allowed to participate** in graduation exercises, but **will not** be given **credit** for completing recruit training.
 - They **will not be promoted** until they successfully pass the PFT, and then **only** under the following conditions:
 - They successfully completed all RTC requirements with the exception of the PFT.
 - A “complete” PFT is conducted (can be accomplished at the unit) and an appropriate entry is made in the cadet’s service record.
 - No follow on PFT (for promotion purposes) can be given, nor actual promotion made, **any sooner** than one month after the **end** of the RTC attended.
 - Minimum “Time in Rate” for the next advancement **will not** be “back dated”, but will start upon PFT completion and actual promotion.
- Prepare your cadets for **passing the PRT!!!**
- Remind cadets that haircuts are part of the recruit training process. The same standards apply to both male and female cadets. Cadets who object to this regulation should not attend recruit training.
- **PAYMENT IN FULL WITH NSC-22, NSCTNG 001 or NSCTNG 002, FOR FT. LEWIS AND FORT STEWART.**

SECTION 5

NSCC ADVANCED

- Unit Commanding Officers will ensure that all cadet applicants are fully qualified and meet prerequisite requirements, i.e.:
 1. Successfully completed required courses/exams (BMR, Airman, etc.).
 2. Meet age/rank/cadet citation requirements (foreign exchange and shipboard training).
 3. **Cadets requesting Music School must have at least three years musical experience.** See section 11 for Music school requirements.
 4. Cadets must bring **safety shoes** for **Airman, Seabee, Port Ops and Coast Guard Cutter** training.

5. Cadets attending **Hospital Corpsman training must have at least two white uniforms.**

SECTION 6

FOREIGN EXCHANGE

- Details regarding foreign exchange opportunities are in NSCC Information Letter 4-00 of 9 February addressing the 2000 foreign exchange program.
- Cadets assigned to foreign exchange programs will receive an “in-country” briefing from the Senior Escort Officer (SEO)/Commanding Officer of the Training Contingent (COTC). **DO NOT** purchase airline tickets prior to contacting the COTC. Always remember that as a “uniformed” guest in another country, you represent yourself, your family, your community, the Naval Sea Cadet program, and all other United States citizens. This is a big responsibility, and as “*our overseas ambassadors*” during this training time, **you** must ensure that you conduct yourself in a most professional and responsible manner.

SECTION 7

SEAL

- SEAL Training will take place at the Naval Amphibious Base Little Creek, Virginia. Per NAVAL SPECIAL WARFARE CENTER (NAVSPECWARCEN) DET Little Creek, where training occurs, **too many cadets in 1997 and 1998 and 1999 did not complete the requirements – most because they were not physically able to pass the Physical Fitness Test during the first days of training. Strict enforcement** of all requirements is fully expected, and the following requirements **MUST** be met:
 1. Cadets must be enrolled in the NSCC for 15 months or longer;
 2. Cadets must be NSCC E-3 or higher;
 3. Cadets must be age 16 or older on or before the start date of the training;
 4. Cadets must be physically fit and psychologically mature. They must meet the height/weight limits and medical standards and pass the physical fitness test as prescribed in the Seal Physical Fitness Test at TAB C prior to submitting NSC-22's.
- Cadets must be able to perform the **MINIMUM** requirements of the Physical Fitness Test (PT) on the **first day of training**. It is at TAB C. Inability to meet these requirements will result in an **immediate return home**. ***It is extremely important that cadets continue to work out on a daily basis after passing the initial PT test.*** NAVSPECWARCEN has reemphasized a “zero tolerance” policy with regard to required physical conditioning.

Once again, after passing the test, stay in shape and work out every day! You will be tested again on day one of training and your first SEAL evolution is generally a 36 hour field adventure! You will not make it if not in shape!!!

AND Medically fit means medically fit 100%, and not recovering from any broken bones, concussions, sprains, etc. within the recent past. Your body will be 110% stressed and you must be 110% healed and ready! If you are still recovering from any medical injury or concern, do not apply!!

- Unit CO's must ensure that all Requests for Training Authority are accompanied by a completed Physical Fitness Test form **witnessed by an armed forces active duty person.** TAB C.
- **TAB C must be submitted with the Request for Training Authority** for cadets requesting SEAL training. **MUST BE, NO EXCEPTIONS.**
- **Above all else, remember this personal bit of advice from the COTC, LCDR Al Scott, "You better be in shape or you'll be at home!"**

EVERY YEAR WE EMPHASIZE THESE REQUIREMENTS, AND EVERY YEAR WE GET CADETS WHO TRY AND CHEAT THE REQUIREMENTS, AND EVERY YEAR THEY END UP BEING SENT HOME, DON'T LET IT BE YOU!!!

SECTION 8

POLA

- Requests for Training Authority for **Petty Officer Leadership Academy** must be forwarded and pre-approved by Field Representatives or designated COTC before orders can be issued. Applications without this approval **will be returned to the unit unprocessed.**

SECTION 9

FAA GROUND SCHOOL

- Requests for Training Authority for **FAA Ground School** must be submitted via Judge Colby, who maintains records on quotas available for those training opportunities. Forward your NSC-22 to:

United States Naval Sea Cadet Corps
P. O. Box 19705
Alexandria, VA 22320-0705

(Please note, this is not the NHQ address!)

- Questions should be directed to Judge Colby at (703) 549-7722.

SECTION 10

SEABEE TRAINING

- In addition to NHQ training requirements, applicants for Construction Training (Seabee) must meet the following additional requirements.
 1. Cadets must have been advanced to **E-2** for both Basic and Advanced courses.
 2. Those going to West Coast Basic must be eligible for advancement to **E-3** with completion of the CB course. Applicants for Advanced/Small Unit Integrity training must already be **E-3** and have completed either Basic or Advanced **or** drilled at least two years at Port Hueneme.
 3. All cadets/staff will need to bring combat boots or safety shoes and three sets of camouflage uniforms (cammies/BDUs/CCUs). **Dungarees for CBC Port Hueneme.**
- Direct inquiries to:

SECTION 11

MUSIC SCHOOL

- At TAB D is the Music School Information Sheet. Submit this sheet with your Request for Training Authority to the COTC, and COTC's further forward to NHQ. That way both COTC and NHQ will know Musical instruments played by cadets. This information is passed on to the Music Schools.
- For School of Music Little Creek
 - Cadets will get music theory and ear training, perform daily in concert band ensembles, and receive drill band instruction.
 - One or two private lessons per week provided, cadets must expect 14 hours per week individual practice.
 - Must be able to sight read Grade 3 standard band literature.

- Berthing in Scott Hall with SOM, 2 to a room, girls and boys on separate floors.
- Chow hall within walking distance.
- PRT three days a week, cadets must be able to pass NSCC PT test.
- Uniform inspections daily, dungarees Monday through Thursday, dress whites on Friday, summer whites during week OK but must have at least one set of dungarees.

SECTION 12

STAFF CADETS

- Staff cadets should be mature, graduates of NSCC Leadership Programs, and have completed at least one other NSCC advanced training program ashore or afloat. Cadets will be assigned on a ratio of no more than 1 to 10 due to limitations in berthing/messing, and assignment is generally limited to NSCC Recruit Training or NLCC Orientation. Female cadets will not be assigned to staff unless a female escort officer is available. Only cadet petty officers (E-4 or higher) will be assigned to duties involving direct supervision of trainees. **Cadets may not serve back-to-back/consecutive staff cadet tours**, nor should cadets who have just completed NSCC recruit training "roll over" to staff duty at NLCC orientation or similar indoctrination training. **NLCC cadets may not serve as Staff Cadets.**
- **ALL** staff cadet fees are 75% of the advertised cost.

SECTION 13

RECRUIT TRAINING CHECKLIST

- Ensure that cadets show up at training sites **with** their **training jackets, orders, ID cards, uniforms, and money**. If they do not, this causes the **volunteer** staff a considerable amount of additional problems, and reflects poorly on your unit. Please **THINK** how you would like to see things if you were at the training site, and ensure your Cadets show up "healthy" and ready to be checked in.
- **Aerosol spray cans are not authorized at RTCs**. This includes deodorants, shaving creams, shoe shine material, bug repellents, etc.
- A checklist to assist in preparing cadets for training is provided at TAB E. **Please use it!**

SECTION 14

ESCORT OFFICERS, VOLUNTEERS, ADULT HELP

- Although NHQ is continually working to obtain the most training opportunities possible for our cadets, the success of our efforts depends mostly on the participation of our adult leaders as escort officers and staff instructors.

- The need for Commanding Officers of Training Contingents (COTC), Escort Officers and Instructors appear to increase every year. Those interested in volunteering for either Recruit or Advanced Training should contact the appropriate COTC listed in the training schedule or NHQ (if COTC is not listed) for information and approval of desired assignment.
- COTCs, Escort Officers, and Instructors will be provided with an NSCC/NLCC Escort Officer Handbook which provides in depth comprehensive guidance on the various functions of assignments. Each unit has been provided copies of the Handbook. If you are contemplating volunteering as a COTC, Escort Officer, or Instructor, we strongly encourage you to read through the Handbook prior to pursuing this assignment.
- **Now is an excellent time for all unit officers to become thoroughly familiar with the contents of the NSCC/NLCC Escort Officer Handbook.** The better you are informed, the smoother things will go for all of us during the summer months.
- Adult leaders are also reminded that they are watched closely by cadets, parents, active duty personnel, and others. You serve as “positive” role models for the cadets, and are expected to lead by example. **NO** alcoholic beverages or tobacco products around the cadets, **NO** profanity, and **NO** fraternization, sexual harassment, or favoritism. **NO TOUCHING OF CADETS IN ANY MANNER THAT COULD BE CONSTRUED AS AGGRESSIVE, PUNITIVE, OR OTHERWISE CONTROVERSIAL IN NATURE.** Ensure that you are properly groomed and that your uniform is correct, observe military courtesies, and, as stated before, “lead by example”. --- Enjoy what you are doing and **be proud** of the **big part** you play in helping to send the “right” message from “**responsible**” adults to today’s youth and tomorrow’s leaders.
- We will need Escort Officers/Instructors at **MANY** training sites. Please volunteer your time/talents where you can. Challenging training, conducted in a positive manner, is the “key” to both recruiting and retention. Naval Sea Cadets and Navy League Cadets want to do things that their peers cannot do, and most of these training opportunities provide those unique experiences. Good training is also one way in which we help these young people to increase their self-esteem, become more mature, and better prepare themselves for future challenges. We **need your support** to ensure that training opportunities are not lost due to a lack of adult leaders.

SECTION 15

MISCELLANEOUS NOTES

- **When updates are made, this space will be used for posting additional narrative information as necessary/warranted.**

2000 COAST GUARD TRAINING OPPORTUNITIES

UNIT CO's MUST READ.

Coast Guard training opportunities immediately follow, and any additional opportunities will be provided via updates when known. *This is not a complete list. Where other training has been or is being arranged on a unit to command basis, please continue even though not included here.* Ensure that your cadets take full advantage of this training as it is generally exciting, fun-filled and extremely instructional in nature. Training is normally scheduled for a period of approximately 12 days, and you should plan on **30 days advance notice for confirmation**. It is extremely important to ensure that you have confirmed a quota and reaffirmed it with the Coast Guard activity before going on TWT. There is **absolutely no room for error** due to the extremely limited messing and berthing available. The Coast Guard provides some of our finest and most fun filled training experiences. We do not want to jeopardize these great opportunities just because someone decided not to follow procedures.

Cadets will perform most of the same duties as their Coast Guard running mates, and are expected to do their fair share in all tasks. Safety shoes for heavy work, and non-skid shoes for boat operations are mandatory. **ALL CADETS ARE RESPONSIBLE** for their messing and berthing fees (should be approximately \$140.00 per cadet). **DO NOT leave the training site without paying required fees!**

Guidelines for this year's training are as provided in the below listed sections. A listing of all sections is immediately provided below for your quick reference.

SECTION 1: APPLICATION PROCEDURES

SECTION 2: STATEMENT OF UNDERSTANDING FOR COAST GUARD TRAINING

SECTION 3: 2000 COAST GUARD TRAINING SCHEDULE

TAB A: STATEMENT OF UNDERSTANDING FOR COAST GUARD TRAINING

SECTION 1

APPLICATION PROCEDURES

- As per **UNIT CO's MUST READ** above.
- Unit Arranged Orders ((use NSC-24C (**Revised 2/98**) (copy attached)) will be utilized for all USCG training, and a copy of the completed and endorsed NSC-24C (**Revised 2/98**) must be forwarded to NHQ **within 30 days** of completion to receive credit for the training. Please remember that maintaining our credibility for good advance planning and follow through is of utmost importance.

SECTION 2

STATEMENT OF UNDERSTANDING FOR COAST GUARD

TRAINING

- At TAB A to this enclosure is a statement of understanding for Coast Guard Training which must be completed by all cadets, their unit CO, and the cadet parent of guardian, as part of the application process for training with the Coast Guard. It is self explanatory and intended to compliment those guidelines already promulgated to ensure the safety and well being of cadets during summer training.
