MEMORANDUM

From: Deputy Director
To: Distribution

Subj: NSCC 24C SUBMISSIONS TO NHQ FOR ALL TRAINING 5 DAYS OR
OVER

Ref: (a) Advancement and Training Manual

1. All Unit Commanding Officers are reminded of the requirements established ref (a) for submission of copies of NSC 24Cs written for trainings for 5 days or longer.
2. These records of training as arranged and coordinated locally by units are compiled and incorporated into NSCC end of year training reports and the NSCC Annual Report to Congress. All Coast Guard training is to be included as well. NSC 24Cs are very important to the program in that they are usually quite significant in number and when added to the number of orders written by NHQ clearly demonstrate the extensive scope of the NSCC Training Program. This record of training completed serves the NSCC extremely well when lobbying for expanded financial support and becomes your record of outstanding accomplishment with extremely limited resources.
3. Only copies of the NSCC 24C are needed. Please target 22 September as your due date for getting your copies of NSC 24Cs to NHQ. This allows us to get them incorporated in NSCC program totals as they should be, and also ensures that your efforts are recognized. Do not resubmit if action has already been completed.
