MEMORANDUM FOR: NSCC/NLCC Commanding Officers
NSCC Regional/Associate Regional Directors
NSCC Field Representative

Subj: PROGRAM GOALS - 2002

Encl: (1) Program Goals - 2002
(2) NSCC State of the Corps

1. It is important that we establish goals to focus and channel our efforts for the current year. Enclosure (1) provides specific goals to provide a road map to improve our program, plus Enclosure (2) provides the annual "State of the Corps" report.

2. The goals are challenging and necessary; and achievable... if we work as a team to attain them. Only through action will we accomplish these important goals to help an already outstanding national youth program to progress and serve the youth of our nation.
