At this vital time in our history, add your name to a list of adult volunteers who are active with our local Naval Sea Cadets. This is part of a Congressionally chartered national teen-age youth program. Contribute to your country, and to our local community!

While helpful, a military background **is not necessary**. A sincere desire to help the youngsters of our community ... and the nation ... is. For information on how you can volunteer, just call phone number. That is: phone number.
